### Opinion

We have audited the accompanying consolidated and separate financial statements of Sonae Sierra, S.G.P.S., S.A. ("the Entity" or "Sonae Sierra") and its subsidiaries ("the Group"), which comprise the consolidated statement of financial position as of December 31, 2025 (that presents a total of 1,561,658 thousand Euros and total equity of 1,126,791 thousand Euros, including a consolidated net result attributable to the shareholders of the parent-company of 61,552 thousand Euros), the statement of financial position as of December 31, 2025 (that presents a total of 1,177,461 thousand Euros and total equity of 766,514 thousand Euros, including a negative net result of 13,667 thousand Euros), the consolidated statement of profit and loss by nature and of comprehensive income, the statement of profit and loss by nature, the statement of comprehensive income,

the consolidated statement of changes in equity, the statement of changes in equity, the consolidated statement of cash flows and the statement of cash flows for the year then ended, and the accompanying notes to the consolidated and separate financial statements, including material accounting policy information.

In our opinion, the accompanying consolidated and separate financial statements give a true and fair view, in all material respects, of the consolidated and separate financial position of Sonae Sierra, S.G.P.S., S.A. as of December 31, 2025 and of its consolidated and separate financial performance and cash flows for the year then ended in accordance with the International Financial Reporting Standards (IFRS) as adopted in the European Union.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISA) and further technical and ethical standards and guidelines as issued by Ordem dos Revisores Oficiais de Contas (the Portuguese Institute of Statutory Auditors). Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the consolidated and separate financial statements" section below. We are independent from the entities that are part of the Group in accordance with the law and we have fulfilled other ethical requirements in accordance with the Ordem dos Revisores Oficiais de Contas code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of management and supervisory body for the consolidated and separate financial statements

Management is responsible for:

- the preparation of consolidated and separate financial statements that give a true and fair view of the Group's and the Entity's financial position, financial performance and cash flows in accordance with the International Financial Reporting Standards (IFRS) as adopted in the European Union;
- the preparation of the management report in accordance with applicable laws and regulations;
- designing and maintaining an appropriate internal control system to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error;

03

- the adoption of accounting policies and principles appropriate in the circumstances; and
- assessing the Entity's and Group's ability to continue as a going concern, and disclosing, as applicable, the matters that may cast significant doubt about its ability to continue as a going concern.

The supervisory body is responsible for overseeing the Entity's financial reporting process.

## Auditor's responsibilities for the audit of the consolidated and separate financial statements

Our responsibility is to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity and Group's internal control;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's and Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our report.

However, future events or conditions may cause the Entity or the Group to cease to continue as a going concern;

- evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether those financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- plan and perform the audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the group as a basis for forming an opinion on the group and separate financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit clearance opinion;
- communicate with those charged with governance, including the supervisory body, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our responsibility also includes the verification that the information contained in the management report is consistent with the consolidated and separate financial statements.

## Report on Other Legal and Regulatory Requirements

### On the management report

Pursuant to item e) of number 3 of article 451 of the Portuguese Companies' Code ("Código das Sociedades Comerciais"), it is our opinion that the management report was prepared in accordance with the applicable legal and regulatory requirements and the information contained therein is consistent with the audited consolidated and separate financial statements and, having regard to our knowledge and assessment over the Group, we have not identified any material misstatements.
